PRÉFACE

Le présent fascicule contient les indications bibliographiques intéressant la Cour internationale de Justice qui sont parvenues au Greffe pendant l'année 1999. Il constitue le dix-huitième fascicule d'une nouvelle série de la *Bibliographie* entreprise depuis les débuts de la Cour. Le numérotage des titres ayant franchi le cap des cinq chiffres, ce qui compliquait les renvois, il a été décidé de l'interrompre, et de reprendre désormais le numérotage à partir de 1 chaque année. Comme il avait été fait pour les fascicules n^{os} 1 à 18, les n^{os} 19 à 34 ont été reliés en un volume, que l'on peut recevoir du Greffe sur demande.

Des considérations d'ordre pratique et l'évolution historique ont amené à donner à la nouvelle série une présentation différente. Les rubriques ont été remaniées et la disposition typographique améliorée, en vue de faciliter l'usage de la *Bibliographie*. La liste complète des rubriques continuera à figurer dans la table des matières placée en tête de chaque volume. Toutefois, dans le texte même, les rubriques sous lesquelles aucun titre n'est à indiquer pour l'année considérée seront omises. Chaque titre continuera à figurer sous une seule rubrique, tous les renvois nécessaires étant faits dans les index des matières en français et en anglais. Ces index, ainsi que l'index des noms, ont un caractère cumulatif à partir du fascicule n° 35.

La *Bibliographie*, préparée par la bibliothèque privée de la Cour, qui est un service du Greffe, n'engage la Cour en aucune façon. Les lecteurs sont priés de bien vouloir signaler toutes lacunes qu'ils pourraient constater à *M. le Greffier de la Cour internationale de Justice, Palais de la Paix, 2517 KJ La Haye, Pays-Bas.*

PREFACE

The present publication contains bibliographical references concerning the International Court of Justice received by the Registry of the Court during the year 1999. It is the eighteenth issue in a new series of a bibliography which goes back to the origins of the Court. As the number of titles had run into five figures and reference had accordingly become too complex, it was decided to bring the old series to an end and to begin a new series in which the numbering of titles starts again from 1 in each annual volume. As had earlier been done for Nos. 1-18, Nos. 19-34 have been bound in one volume, obtainable from the Registry.

Practical considerations and a changed historical perspective have led to a different presentation for this new series. The *Bibliography* has been subdivided according to a new system and the layout has been revised for greater facility of use. A list of headings will continue to appear as a table of contents at the beginning of each volume. In the text itself, subheadings will however be omitted if there is no title to enter under them. Publications will continue to be mentioned under a single heading; appropriate cross-references will however

be given in the separate French and English subject indexes, which, like the index of names, are cumulative as from No. 35.

The *Bibliography*, which is prepared by the Court's private library (a department of the Registry), in no way involves the responsibility of the Court. Readers are requested kindly to draw any relevant publications which have not been included to the attention of *The Registrar, International Court of Justice, Peace Palace, 2517 KJ The Hague, Netherlands.*
